Our net price list catalogue prepared for the international stamp show in Washington last year was very well received. Accordingly, I have decided to prepare similar catalogues on a more regular basis, perhaps twice yearly. As you can see by the enclosed, they will be devoted to B.N.A. rarities, specialist items and gem quality singles. If you already receive our selected offerings lists you will automatically receive these catalogues free of charge.

This catalogue includes a varied selection of quality classic issues such as Nova Scotia 1853 1p red brown unused; Newfoundland 1857 2p scarlet vermilion used; and Canada 1855 10p Cartier very fine used. Also featured are rarely seen plate imprint multiples of early Newfoundland with 1865 10c Albert plate imprint block of ten; 1865 13c Ship, the finest known plate imprint block; 1896 1c brown Prince of Wales NH plate imprint block of eight. Numerous desirable proofs include New Brunswick 1860 2c large trial colour die proof in black; Nova Scotia 1860 5c "Goodall" die proof in yellowish brown; a spectacular set of Newfoundland 1865-1894 Cents Issue in plate proof imprint blocks of six. Among the Canada rarities are Canada 1891 (CBNC) 2c engraved essay proof block in green; 1897 ½ c Leaf positional block of nine with Major Re-entry (Pos. 1R79), etc. Furthermore, you will find Superb mint NH singles, scarce multiples and Modern errors.

We are continually buying specialized collections and individual rarities. Consignment to our public auction is also available should you prefer. Please contact me if you have anything suitable for sale.
