During the last U.S. international show in Washington, DC in 2006, someone came by the table selling booths for the 2016 show in New York. The year 2016 seemed impossibly far away at the time. As I write this however, we are only a few weeks away from this premier event. Our very first Selected Rarities catalogue was published for that Washington show. It was quite successful then and has become a regular feature, with two or three new editions released each year.

In this catalogue double-sized edition XXV you will find a large number of desirable and attractively
 priced items. We have added U.S. dollar amounts for this edition as it will be distributed at the show. Here are just a few highlights:

- A very fine mint British Columbia \#1
- British Columbia Wells Fargo covers
- Choice very fine mint New Brunswick with
- Three pence red
- One shilling red violet
- 5c Connell
- A rare unused Newfoundland shilling scarlet vermilion

- Complete 1987-1898 Leaf Issue large die proofs

1893 (February) Multi-franking registered cover from Halifax to Barbados, British West Indies, via Saint John, NB and New York, bearing 2c green, 3c orange red, $6 c$ yellow brown and two lightly oxidized 2c orange
Registered Letter Stamps all tied by grid cancels, portion of Halifax dispatch CDS shows underneath two different New York US registry exchange labels (affixed one on top of the other). A very unusual franking paying the 10 cent double UPU letter rate, plus 5 cent registration fee. Arriving in Barbados, the cover was first redirected to Hamilton, Bermuda and then to Nassau, Bahamas before finally being sent back to New York, left unclaimed and entering Dead Letter Office on June 23, 1893. Various backstamps demonstrate a very complex route landing in three different British Colonies and a valiant attempt to deliver the letter to its addressee. Signs of ageing mostly around edges in no way deter from its most impressive appearance - an absolute showpiece cover with a lot of character, Fine to Very Fine (Unitrade 361, 37, 39, F1)

## Provenance:

S.J. Menich, June 2000; Lot 92

As of January 1894, the requirement that the 5 cent registration fee be paid with a 5 cent RLS on overseas mail was dropped from the Official Postal Guide. Regular postage stamps or combination of Registered Letter Stamp were acceptable to prepay the needed registration fee.

Price: \$5,950.00 (\$4,750.00 US)

Twenty five cent black lettering on yellow background originating from Plate II where background print is composed of six scroll blocks, all facing north east, instead of south west on Plate I.
