- 593 ★ **SOUTH-WEST AFRICA #1 variety, 1923 (Setting I) 1/2p Green KGV, Watermark Springbok** Bilingual overprint mint block of four, upper right stamp is completely without stop after "Afrika", bright fresh colour and original gum, couple small hinge remnants. The first one we have seen and a most desirable overprint variety ideal for an advanced collection, F-VF OG (SG 1 variety; unlisted) **Est. 1,500.00+**

This variety is known on the 1p and is exceptionally rare on the 1sh. Of the latter, we were only able to locate one pair (ex. Weston collection, March 2008), the stamp which Stanley Gibbons based their listing on. Offered along with the 1sh, there was a 1/2p multiple from the same plate position as the 1sh with a defective stop, leaving the assumption that the no stop variety on the 1/2p can exist from a very late stage in the overprinting of that issue.

NEWFOUNDLAND STAMPLESS COVERS

- 651 ☒ 1803 (May 30) Folded cover from Mr. Anspach, a missionary at Harbour Grace, carried by private ship to Greenock where it received the oval "Crown" Ship Letter marking in red and was placed into the postal system, rated "1/4", London (JUL 20 1803) clear receiver backstamp, VF **Est. 150.00**

The letter from Ward to his parents notes that he received their letter only on April 25, due to winter conditions in Newfoundland, suggesting that their letter was likely sent late in 1810. The writer talks of the wreck on the Isle of Man of the brig Nancy with loss of life, and his intention to sail back to England or to send a letter to them on that vessel.

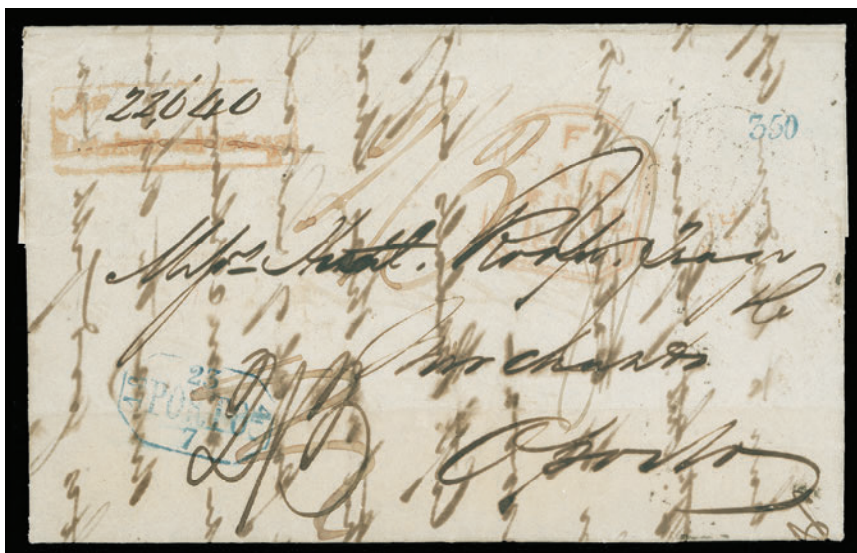

- 653 ☒ Folded lettersheet with "St. John's Newfoundland 8th Sept 1826" dateline, addressed to Oporto, Portugal, rated "160" (reis; about 8d stg to collect) and clear oval BARRA DO PORTO both in black; tear through rate marking, couple light file folds as usual, otherwise Fine and very scarce. **Est. 200.00**

The entry to the Oporto harbour does not permit entry of deep-draught vessels. Mail was collected outside the harbour at the mouth of the river Douro by small mail boats and then taken to the local Maritime Post Office and marked with an oval BARRA DO PORTO as an incoming Ship Letter and rated collect postage.

BIDDING

1. All bids are per lot, as numbered in the catalogue. Eastern Auctions Ltd. reserves the right to withdraw any lot prior to sale, to divide a lot or to group two or more.
2. The highest bidder shall prevail at one advance over the next highest bid. Should a dispute arise between bidders, the decision of the auctioneer as to the successful bidder or the re-offering or resale of the lot in dispute shall rest entirely in the judgment of the auctioneer. **On all lots sold a commission of 15% on the hammer price will be payable by the buyer.** The auctioneer shall regulate the bidding and reserves the right to refuse any bid believed by him not to be made in good faith.

PAYMENT FOR PURCHASES

3. **U.S. funds are acceptable only at the equivalent amount shown on the invoice.** Visa and MasterCard are accepted at a charge equal to 3.5% of the hammer amount. Please include the information on your bid sheet.
4. Payment for lots, including those on which opinions are desired under Condition of Sale 8, shall be made as follows:

A successful mail bidder will be notified of lots purchased and must remit before the lots are sent. A person known to us, or who furnishes satisfactory references, may at our option have purchases forwarded for immediate payment. Delivery will be to the address on the bid sheet. Proof by receipt of sending at the advised address shall constitute delivery. Postage and insurance are payable by the buyer.
5. Title shall not pass to the buyer until Eastern Auctions Ltd has received full payment.
6. Buyers agree to pay for lots as specified above and no credit is extended, a late payment charge of 2% per month is added to overdue payments, minimum \$5.00.

QUALITY AND AUTHENTICITY

7. Each lot is sold as genuine and correctly described based on individual description as modified by any specific notations in this catalogue including (but not restricted to) “Key to Cataloguing”.
 - (a) **QUALITY.** Any lot, description of which is incorrect, is returnable within forty-five days from closing date of auction. If the opinion of a mutually acceptable authority is desired, this period will be extended as noted in Condition 8. All disputed lots must be returned intact in the condition received. Photographed lots are not returnable on account of centering or perforations. Lots containing more than twenty stamps, described “as is”, or described as having faults are not returnable for any reason. Bidders who have had an opportunity to examine the lots prior to the sale may not return the lots.
 - (b) **AUTHENTICITY.** Any lot, which is declared other than genuine by a mutually acceptable authority is returnable, provided the lot is received within a period of four weeks from the date of the auction. Proof that a “mutually acceptable authority” declines to express an opinion is not normally grounds for the return of a lot.
 - (c) Returns must be made by registered mail.
 - (d) Lots marked or encapsulated by an expert committee are not returnable for any reason.
 - (e) Lots accompanied by an existing certificate are not returnable.

EXTENSION OF TIME
